

Eye Protection

Ensuring employee safety is required! Training and proper fitting of protective eyewear is key in preventing eye injuries. Eyewear must be selected specifically for and best suited to the tasks.

Visit www.osha.gov for complete details and regulation requirements.

Uvex Clear® Lens Cleaning Tissues

High-absorbency, non-abrasive tissues are specially formulated for anti-fog and scratch-resistant hardcoats. Tough enough to remove grit and grime from safety eyewear, but gentle enough not to leave abrasive marks. For best results, use with Uvex Clear cleaning solution. 60 Boxes/case.
